POOLSIDE FIX

BUSINESS OVERVIEW

Clearer work.
Better customer handoffs.

Tools for the counter, the job site and the customer at home.

Pool Store Pro

- Customer profiles and water-test history
- Staff review before reports are shared
- Your branding on printable reports
- A unique QR link for each shared report

Service & Contractor Pro

- Customer notes, equipment and photos
- Jobs, calendars and recurring service
- Estimates and customer approvals
- Branded handoffs and record exports

From the store to the backyard

1. Save the measured test and review the plan.
2. Give the customer a branded report by QR or print.
3. Connect participating Customer Pro accounts for future reports.

A one-time report needs no Customer Pro membership. Future connected reports require approval and active memberships.

Try it before you join.

Explore a sample business and preview your customer handoff.
